

MSU FORESTRY

NATIONAL SCIENCE OLYMPIAD SCHOLARSHIPS

First, second and third place winners will be awarded 4-year scholarships to major in Forestry at MSU!*

For each student member of a team:

- 1st place: \$5000 x 4 years – \$20k total
- 2nd place: \$2500 x 4 years – \$10K total
- 3rd place: \$1000 x 4 years – \$4K total

As a scholarship recipient, you also will participate in the Forests Forever Scholars program, which will enhance your leadership skills, connect with the community through service learning, and apply your education to solving real-world challenges.

For questions about this scholarship, please contact Director of Undergraduate Studies Justin Kunkle at kunkleju@msu.edu.

*To receive these special Michigan Science Olympiad scholarships in Forestry, students must be admitted to Michigan State University and major in Forestry (B.S.) within 3 years of graduating from high school. Additional scholarships may be available depending on the student's academic background and financial need. Renewal of the scholarship while enrolled at MSU requires the student to maintain at least a 3.2 grade point average.
